Topics of Oral and Poster Presentation

- Power and Machinery**
 Power and machinery engine and power, machinery design and testing, machinery production and manufacturing, mechanization/ cultivation practices
- Soil and Water Engineering**
 Soil and water engineering, soil compaction, soil erosion soil amendment, arid land, desertification and water harvesting, hydrology and water resource management, hydraulic and micro-irrigation system, on-farm systems
- Postharvest and Food Engineering**
 Postharvest processing and storage, packing, non-destructive techniques, food processing and machinery, biological engineering
- Structures and Buildings**
 Agricultural structure design, silo, greenhouse, plant factory, farm layout and planning, agricultural factory design, agricultural system
- Logistic and supply chain management**
 Logistic and supply chain management, traceability systems and food safety, agricultural system management, modeling and simulation, agro-industries
- Electronics and Information Technology**
 Precision agriculture, remote sensing, GIS, geostatistics and expert systems, sensor, robotics and automation, bioinformatics, computer applications, software development and information technology
- Energy and Environment**
 Renewable energy, biomass and bioenergy, energy management, agricultural waste treatment, recycling and zero waste technology, agro-ecosystem engineering
- Concerned Engineering and Technology**
 Other topics in engineering, science, technology and innovation related to or impacted on agricultural engineering

Important Dates

Full paper submission	May 1, 2023
Full paper submission deadline	June 1, 2023
Acceptance notification	June 15, 2023
Early bird registration	May 1 - June 15, 2023
Registration	June 16 - July 26, 2023

Publication opportunities

Several options for post-conference publication are offered for accepted and presented papers.

1. Engineering and Applied Science Research (EASR) (Scopus&TCII)
2. Journal of Engineering and Innovation (TCII)
3. Thai Societies of Agricultural Engineering Journal (TCI2)
4. TSAE Conference Proceeding
